Yachtmaster Ocean + €2,450

After completing your Yachtmaster Offshore Exam, many students look to further their knowledge and experience with Ocean sailing. Crossing the Atlantic has become a right of passage in the sailing world and nothing can prepare you better than our RYA Yachtmaster Ocean package.

Week 1

Theory Course

We begin with 6 days in our classroom. The RYA Yachtmaster Ocean Theory syllabus covers topics such as Celestial navigation, Ocean weather patterns, Hurricane avoidance, passage planing etc.

Week 2

Practical Ocean Passage

Leaving Marbella, we will sail into the Atlantic on an Ocean qualifying passage to obtain the necessary 600 nautical miles required by the RYA. Our Ocean passages include Madeira & the Canary Islands. Use the Sextant for celestrial navigation and put to use all your new found knowledge from your theory course.

Marbella Sailing School Financing

Would you like to finance your course? We realise that a Fast Track is a big investment and in order to assist you with this we can now offer the option to spread the payments over 3 to 6 months interest free. Please contact us for more information.

Testimonials

“Successfully completed my RYA Yachtmaster Offshore Exam after a well catered preparation program with excellent instructors! Beautiful location, comfortable boat, and amazing people. Couldn't have asked for a better experience. The whole team was always extremely helpful and provided valuable insights and instructions for all the topics covered in the exam. You could really feel their personal investment in your success. It really made the difference. Will look back on this experience with very fond memories.”
